

AMERICA IS IN A SPIRITUAL WAR FOR MINDS, PLAYING OUT IN CULTURE AND POLITICS

Christianity transformed the pagan world from a savage and brutal place, to a place where true rights and liberties of all were protected. The American colonies were founded as Christian states to serve God and provide religious liberty. We are to be a “Nation under God.” We must come back under the authority of God, the Author of liberty and law.

Radical Leftist cultural Marxist revolutionaries who hate God have been trying to destroy our churches and society for almost 100 years. They wrote that if they could destroy and weaken Christianity, they could topple America. They are using various Marxist agendas – race Marxism, LGBTQueer+ Marxism, economic Marxism. These are purposefully opposed to the Bible, and used to create racial resentment, corrupt youth, damage sanity, oppose equal treatment under the law in favor of “equity” (vengeful, forced redistribution of outcomes), and put the Bible in the closet. They lie and say “That’s not happening” as it happens before your eyes. They dupe people with slick propaganda about “justice” and “compassion,” but these are empty phrases to sell Marxist goals. What it really is: damnable lies, wolves in sheep’s clothing, promoting social destruction. We must fight this deadly ideology.

“Christianity is a fighting religion. It thinks God made the world... [and] that a great many things have gone wrong with the world that God made and that God insists, and insists very loudly, on our putting them right again.” - C.S. Lewis

70% OF AMERICANS ARE “CHRISTIANS,” BUT DON’T KNOW THE BIBLE

According to research from Barna, the vast majority of Americans are flimsy on the basics of their faith, like:

Absolute moral truth exists. The Bible is totally accurate in all of the principles it teaches. We should study and obey it.

God has eternally existed and created the universe from nothing. Through the Son of God, all creation was made, including humans as male and female. Mankind disobeyed God and suffers the consequences of corruption and death, needing salvation from our sins. The Son of God was born of the virgin Mary, and named Jesus. Jesus is therefore fully human and fully God, our Creator who became man to save us.

Jesus lived a sinless life on earth, died for our sins, and rose from the dead on the third day. He ascended to God the Father, from where he will come again to judge the living and the dead, giving eternal life to those who served Him and punishment to those who did not. Eternal life can only be found in Him, not by other religions or by trying to be nice.

God now commands all people everywhere to turn from sin, and trust in Jesus, and live a holy life.

Although God has all authority, He has allowed us to battle against spiritual forces of darkness, including Satan who is a real being and not merely symbolic. You either side with God or not with God, there is no in-between position.

Evil forces use persuasive arguments to lure people into sin, or into tolerating sin. Greed, envy, pride, sexual relations other than between a married man and woman, transvestitism, and laziness are some of the sins celebrated openly today and promoted in media and schools. We are commanded to repent, turn away from, and rebuke the practice of such sin.
